The ACHP has received your submission to [e106@achp.gov](mailto:e106@achp.gov). If your submission is to:

- notify the ACHP of a finding that an undertaking may adversely affect historic properties, and/or
- invite the ACHP to participate in a section 106 consultation, and/or
- propose to develop a project Programmatic Agreement (project PA) for complex or multiple undertakings,

and you are enclosing the completed e106 form, this is your official dated receipt of your submission (in accordance with 36 CFR Part 800.6(1)). The ACHP has 15 working days to determine if it will participate in consultation to resolve adverse effects to historic properties.

If the ACHP does not participate in consultation, the agency will still need to file the final agreement document and related documentation with the ACHP at the conclusion of the consultation process. This filing is required in order for the agency to complete its compliance responsibilities under Section 106 of the National Historic Preservation Act.

Please note that the [e106@achp.gov](mailto:e106@achp.gov) address is intended solely for the submission of documentation and official notifications to the ACHP regarding new/ongoing consultations and existing agreement documents. This address is not intended for case specific communication, correspondence, or scheduling. Such communications should be directed to the assigned ACHP staff member using their ACHP email address.
